- God is the Source of spiritual light and life to all the worlds of God.
- Each time a Manifestation of God has come to this world He has shone very brightly with spiritual light. This is the light of God, which He has reflected perfectly.
- Each Manifestation of God has been quite different from the rest, with a different Name, but They have all shone with the same light.
- Each Manifestation of God has done exactly what God willed, and like the planets moving in their orbits, has never moved in a wrong direction.
