

"O my God,
the God of bounty and mercy!
Thou art that King by Whose
commanding Word the whole creation
hath been called into being . . .

"Suffer this servant, I beseech Thee,
to attain unto that which is the cause
of his salvation in every world
of Thy worlds.

"Thou art, verily, the Almighty, the
Most Powerful, the All-Knowing,
the All-Wise."

Bahá'u'lláh
