

# Make a friendship box to give at the Feast

Make a friendship box for each person at the Feast. If someone from the community isn't at the Feast, you could post one to them as a gift.

**You will need:**  
Pieces of stiff card  
Scissors  
Coloured pens  
Strong glue

Trace the outline onto a piece of card

Write the word 'FRIENDS' on each side

Colour it in, or draw patterns on it

Fold very firmly along the dotted lines and use the flaps to glue the sides together.

Put a few sweets in each box, or better still, make some.
