

Happy Faces

Make a SMILE PLEASE Badge

- Trace and cut out a circle of card.
- Decorate it with a smiley face and bright colours.
- Sellotape a safety pin on the back, or thread it on a string and hang it round your neck.

Make a SMILEY FACE Frieze.

- Think of happy words and write them on paper or card, colour them brightly and decorate them with glitter or sequins, dots or stripes, etc.
- Then cut out circles to make into smiley faces. Wool can be stuck on to make hair and moustaches.
- Arrange everything on a big piece of paper on the wall.
