

What is a friend?

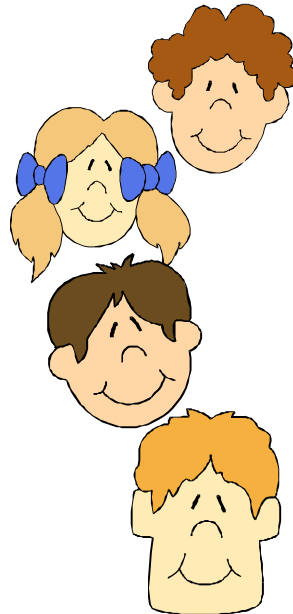

I think a friend is someone who.....

Is about your
age
and lives close
by

Won't try to make
you change
your mind

Always does
what you
want
to do

Sticks up for
you

Agrees with
everything
you say

Will
keep a
secret

Points out your
mistakes

You can rely on

Tells you
the
truth

Treats
everything
as a joke

**Colour the boxes that are right.
Ask the other members of your family what they think.**
