

Dear Children,

Welcome to another issue of *Dayspring*. You will see that we have a new editor. This is because Maggie, who has been the editor for many, many years, is not well. I am sure she would love to hear from you. If you want to write to her or send her a get-well card, send them to the address below and I will make sure she gets them. We can also put some in the next issue of *Dayspring* in the letter page.

I hope you are well and happy and have a wonderful summer holiday. Don't forget to send me news of anything interesting you have done, as well as your poems, stories, letters and drawings. I look forward to hearing from you. Also, do tell me what kind of things you would like to have in your magazine. Remember to send everything to the new address.

With love,
Jackie
