The highlighted words in the following quotation from `Abdu'l-Bahá can all be found in the grid. As you find them, circle them in pencil.

Words go up, down, across, diagonally and in reverse.

"This is the century of science, inventions, discoveries and universal laws. This is the century of the revelation of the mysteries of God. This is the century of the effulgence of the rays of the Sun of Truth. Therefore, you must render thanks and glorification to God that you were born in this age. Furthermore, you have listened to the call of Bahá'u'lláh."
