

Dangerous Behaviour!

1. Being together alone for long periods of time
2. Prolonged eye contact
3. Prolonged conversation
4. Following someone into another room, or outside
5. Sexy postures
6. Revealing clothing
7. Flirtatiousness
8. Physical contact, such as touching, hugging, or kissing
9. Sexual fantasies about another (which can often be sensed)
10. Ignoring one's other friends while attending a member of the opposite sex
11. Dressing especially well in anticipation of the other's presence
12. Standing or sitting too close
13. Suggestive conversation
