

THE SOUL IS THE SUN

Words for the melody:

The soul is the sun and the earth is the body

The soul is the light and the body is the lamp

The soul is the flame and the body is the candle

The soul is the bird and the body is the cage.

Words for the accompaniment:

It shines; it flows;

 it flies; it glows;

It shines; it flows;

it flies; it glows.

[Arrangement on the tape:

 Melody twice.

 Accompaniment.

 Both together.

 Accompaniment twice.

 Both together.

 Melody.

 Music

 Melody three times,

 Fade out as fourth starts.]
