

Parents: please help with this homework, including maintaining a prayerful attitude while saying a prayer or listening to others. The rest of this prayer will be given in later lessons.

---

Learn the next part of a prayer, so you will be able to say (or sing) from memory :

“O God, guide me, protect me,  
illumine the lamp of my heart ...”

How are these people being polite?

Colour the pictures and talk about them with someone.
